

John Ulrik Nielsen

Architect/System Developer

john.u.nielsen@gmail.com

Summary

Developer with 12 years of experience with web development. My background in the bigger scale, is an early interest for IT and Internet, with a dataengineer (datamatiker uddannelse) and to that, alot hands-on experience after 12+ years in the business.

I appreciate a good friendship with my colleagues and has a good sense of humor.

In my current work I am working as an architect/developer on different platforms, where there is alot of cooperation with erternal and internal partners.

40 years old, single, living on Østerbro in Copenhagen. In my sparetime I love to run, and is a acting as a trainer for others.
